The information on this application will be used to determine and verify my eligibility for assistance. By signing below, I give my consent (permission) to CSD, its contractors, consultants, other federal or state agencies (CSD Partners) and to my utility company and its contractors, to share information about my household's utility account, energy usage and/or other information needed to provide services and benefits to me as described at the end of the form. My consent shall be effective for the period beginning 24 months prior to, and continuing for 36 months after, the date signed below. I understand that if my application for LIHEAP/DOE benefits or services is denied, or if I receive untimely response or unsatisfactory performance, I may initiate a written appeal with the local service provider and my appeal shall be reviewed no later than 15 days after the appeal is received. If I am not satisfied with the local service provider's decision I may then appeal to the Department of Community Services and Development pursuant to Title 22, California Code of Regulations section 100805. If applicable, I hereby authorize installation of weatherization measures to my residence at no cost to me. I declare, under penalty of perjury, that the information on this application is true, correct, and that the funds received will be used solely for the purpose of paying my energy costs.

AGENCY NAME: Community Services and Development (CSD). UNIT RESPONSIBLE FOR MAINTENANCE: Home Energy Assistance Program (HEAP). AUTHORITY: Government Code Section 16367.6 (a) Names CSD as the agency responsible for managing HEAP. PURPOSE: The information you provide will be used to decide if you are eligible for a LIHEAP payment and/or weatherization services. GIVING INFORMATION: This program is voluntary. If you choose to apply for assistance, you must give all required information. OTHER INFORMATION: CSD uses statistical definitions from the annual update of the Department of Health and Human Services' State Median Income, Federal Income Poverty Guidelines, to determine program eligibility. During application processing, CSD's designated subcontractor may need to ask you for more information to decide your eligibility for either or both programs. ACCESS: CSD's designated subcontractor will keep your completed application and other information, if used, to determine your eligibility. You have the right to access all records holding information about you. CSD does not discriminate in the provision of services on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation.

| Utility Service Address (Street) | | Unit Number (if any) |
| (City) | State CA | Zip Code |

UTILITY INFORMATION

Please enter your utility company name and service account number below (you can find the account number on your bill). If different companies provide your electricity and gas services, please enter the name and account number for both utilities.

| Name of Utility Company | Service Account Number |
|---|---------------------------|
| | |
| Name of Utility Company (if you have a second Utility Company | y) Service Account Number |
| | |

AUTHORIZATION AND CONSENT

By signing this form, you (Account Holder) give your authorization and consent (permission) to CSD, its contractors, consultants, other federal or state agencies (CSD Partners) and to your utility company and its contractors, to share information about your property's utility account, meter usage and energy consumption data, and other information as needed for the period beginning 24 months prior to, and continuing for 36 months after, the date signed below. The information you authorize us to obtain and share will be used for the purposes of evaluating home energy usage of program beneficiaries so that CSD can: a) measure the effectiveness of the services we provide by determining how much your utility bills are reduced and how much our services reduce carbon emissions (air pollution), and b) report these results to federal and state authorities that fund and oversee energy assistance programs in California. CSD, its contractors, consultants, other federal or state agencies and affiliated programs (CSD Partners), working cooperatively with your utility company and its contractors, use this information to provide services that assist low-income families, such the applicant, to pay their home energy bills and mange those energy needs for the purposes stated in this Authorization.

Signature of Account Holder

Name of CSD Contractor/Partner Organization

REVOCATION OF AUTHORIZATION AND CONSENT

You agree that your consent shall remain in effect for 36 months from the date you sign this Authorization, unless otherwise revoked by written notice mailed to: CSD Energy & Environmental Services Division, 2389 Gateway Oaks Drive, Suite 100, Sacramento, CA 95833. Revocation will be effective upon receipt, but will not apply to any information shared while this Authorization was valid.

APPLICABLE PROGRAMS

Some of the programs CSD oversees or partners with include:

- CSD Federal Low-Income Home Energy Assistance Program (LIHEAP)
- CSD Federal Department of Energy Weatherization Assistance Program (DOE WAP)
- State Low-Income Weatherization Program (LIWP)
- Department of Housing and Urban Development (HUD) Lead Hazard Control and Healthy Homes Program
- Utility Company Energy Savings Assistance (ESA) Program
- Utility Company California Alternate Rates for Energy (CARE) Program

HOME ENERGY ASSISTANCE PROGRAM MAKING THE MOST OF YOUR MONEY

Following are three suggestions to help you better manage your finances:

1. SET GOALS:

All members of the family should have a chance to say what they think is important to spend money on. Then it must be decided which things are most important and should go at the top of the list. Things less important should go at the bottom. This is called setting priorities. It helps the family members to cut out spending money in wasteful ways to be able to get the things they really want.

2. START PLANNING:

Ask yourself.....

- a) Where is the money coming from (include all sources)
- b) How often does it come in (Weekly, monthly, yearly)?
- c) What do we have to spend it on? (Rent/mortgage, utilities, food, transportation, clothing, laundry, childcare, etc.)

3. MAKE ADJUSTMENTS:

If your monthly balance is short, changes should be made. Hold a family meeting and ask each one how they can help balance expenses against income. When you start having money left over each month, put it in a savings account until there is enough to do what everyone wanted to do when the goals were set. If you stick with it, your money will do more for you than you never dreamed!

FINALLY..... A broad rule of thumb concerning the use of income:

- ightarrow No more than 70% of net income should be spent on living costs
- \rightarrow No more than 20% of net income should be spent on credit payments
- \rightarrow No more than 10% of net income should be spent on yourself (savings, recreation, etc.).

For example, in dollar terms that means:

With a \$2,500 monthly net income:

\$1,750 for living expenses 500 for credit payment 250 for yourself \$2,500 total net income

Housing Service of America, John F. Sewell

CHECKLIST OF ENERGY EFFICIENT PRACTICES

1. TO KEEP WARM DURING THE WINTER AND TO MAKE SURE YOUR FURNACE OPERATES EFFICIENTLY:

- Put on extra layers of clothing
- Keep furnace thermostat set to 68 degrees or lower during the day
- Turn the furnace pilot off during the summer
- Never use your oven or range to heat your home

2. TO AVOID WASTING HOT WATER:

- Take short showers rather than baths
- Use cold or warm water rather than hot water, whenever possible
- Set the hot water heater at 120 degrees or medium
- Turn the gas hot water heater to pilot or the electric water heater to off whenever you are not home or will be vacant for more than two days

3. TO SAVE ON THE COST OF COOKING:

- Do not preheat your oven because ovens reach the right temperature quickly
- Never open your oven while cooking is in progress
- Cover pots and pans when cooking. It helps keep the heat in and allows food to cook faster.

4. TO KEEP COOL DURING THE SUMMER:

- Keep inside shades and draperies closed during the day to keep the sun out.
- Set air conditioner temperature at 78 degrees or medium

5. TO SAVE MONEY EVERY DAY OF THE YEAR:

- Turn off all lights when not in use
- If you leave a room for more than 5 minutes, turn off the lights
- Do not leave the refrigerator door open any longer than absolutely necessary
- Keep refrigerator defrosted so it will work more efficiently
- Put full loads in washer and dryer, using cold water to wash and rinse most of the time
- When using a dishwasher, only wash full loads and let the dishes air dry
- Turn off appliances when not in use.

PLEASE NOTE: If you have any problems with your gas heating appliances, call the gas company or PG&E; they will check your appliances at no charge.

WEATHERIZATION MEASURES AND BENEFITS

ATTIC INSULATION

Cellulose insulation is installed in the attic. The insulation has been treated to be flame retardant, resistant to vermin, and it is not harmful to your health. It helps keep the heat inside in the winter and outside in the summer.

BLANKET HOT WATER HEATER

A fiberglass blanket wrapped securely around your water heater tank helps reduce the amount of heat loss, reducing your water heating bill.

LOW FLOW SHOWERHEAD

When installed, this showerhead gives you a good hot shower while using only half the water and energy needed to heat the water.

CAULKING

Caulking installed around door frames, windows, and small cracks helps keep air, dirt, and moisture out. Caulking helps reduce the amount of energy lost in these areas of infiltration.

DOOR WEATHERSTRIPPING

The weatherstripping is installed to give the door a perfect fit. It stops air leaks and keeps unwanted dirt, noise and moisture out of the home, thereby reducing energy use. Weatherstripping may require adjustments depending on changes in weather.

SWITCH AND OUTLET GASKET COVERS

Foam gasket covers are installed under the electrical outlet and switch covers on all exterior walls. Gasket covers help reduce the amount of infiltration and energy loss.

MINOR HOME REPAIRS

Various home repairs are made when feasible. They may include replacing doors, windows, broken glass, patch holes, door stops and frames, etc.

FURNACE FILTER REPLACEMENT

The furnace filters are replaced with a reusable filter. A clean filter helps our heating and cooling system run more efficiently, saving you money.

ENERGY SERVICE AGREEMENT FOR OCCUPANT

- 11. I understand that the Property Owner cannot raise the rent of the unit for a period of two years from the date of weatherization because of the increased value of the unit due solely to weatherization measures provided by the Contractor/Agency (allowable factors for rent increase include an actual increase in property taxes, actual cost of amortizing other improvements to the property accomplished after the date of work completed by the Contractor/Agency, or actual increases in expenses of maintaining and operating this property).
- 12. I acknowledge that I have been provided a copy of this Agreement explaining its terms effective for a two year period after weatherization services have been completed. <u>Complaint Process</u>: In the event the provisions of this Agreement related to increased rent or the landlord's failure to decrease utility costs for master metered units are not met, tenants may contact the Contractor/Agency to submit a verbal or written complaint, which will be investigated by the Department of Community Services and Development. Contractor/Agency contact information is located on this Agreement under the section entitled, "Contractor/Agency Assurance."
- 13. I may retain the replacement energy conservation measure installed by the CSD weatherization program(s) if the replaced appliance was my personal property.

I CERTIFY THAT I am the Owner-Occupant or Tenant residing in the dwelling listed above that serves as my primary residence and that all given statements are true and correct to the best of my knowledge. I have read and understand these TERMS and RELEASE, and agree to be bound by all of its terms and conditions in order to receive weatherization services under the CSD weatherization program(s).

- 1. Shall be responsible for the feasible cost of weatherization measures performed other than cash contribution from the Owner or Owner Agent, if applicable, and any subsequent non-compliance.
- 2. Shall ensure that the Contractor/Agency is properly insured.
- 3. Shall ensure that work is conducted in a professional manner and meets program and building code standards.
- 4. Shall not make any significant structural changes to the dwelling without requesting written permission specifically describing the change from the dwelling owner.
- 5. Shall provide in writing a list of all weatherization measures installed in the unit.
- 6. Shall assure that the owner, or owner's agent, and tenant data shall be maintained in a confidential manner to assure compliance with the Information Practices Act of 1977, as amended, and the Federal Privacy Act of 1974, as amended.

CSD DWELLING ASSESSMENT FORM

Additional Assessor Notes

Section 16: Acceptance of Services

Homeowner/Landlord Acceptance of Work Scope I, (print name) , the undersigned, understand and agree to the following work scope: a. These services are free of charge to the property owner/landlord (and tenant, if a rental). Installation of any measure-requires removal from the premises and proper disposal of the old appliances/materials that are replaced. b. The actual work scope performed may vary slightly from the original assessment after work commences, due to discovery of unforeseen circumstances, such as the following: a measure turns out to be unfeasible, safety issues arise, funding changes occur, or other pertinent factors evolve. Should this happen, the Weatherization Contractor representative will explain why changes are necessary and what my options are before work is continued. c. I acknowledge that, if installed, the mechanical ventilation measure does not account for high polluting sources nor does the system guarantee good indoor air guality. During times of high air pollution (e.g., wildfires, etc.), I will instruct the dwelling occupants to temporarily shut-off the system to prevent intrusion of unhealthy air. The weatherization program and the Weatherization Contractor shall be held harmless if the homeowner/occupants neglect to follow this recommendation. d. The measures listed below would require installation in areas of the home where there are presumed asbestos-containing materials (a determination based on the dwelling age or material appearance, not as determined by testing). Therefore, the following measures are excluded from the final work scope: 1. 2. 3. 4. e. I recognize that refusal of certain program measures may require this dwelling to be deferred from weatherization. This process has been explained to me by the Weatherization Contractor. □ I, the undersigned, hereby agree to allow all work described herein to be performed, or □ I decline installation of the following measure(s): 1. 2. 3. 4. f. I further agree to allow all installed measures to be inspected and checked by the Agency and a State third party inspection entity upon request. (Initial) I am the Owner, Landlord Signature: Date: **Tenant Acceptance of Work Scope** □ Not applicable By signing below, I, , the tenant of the dwelling/property: Agree to accept all of the work scope as described in the Homeowner/Landlord Acceptance of Work Scope above, or **Decline** installation of the following measure(s): 1. 2. 3. 4. a. If the dwelling is a rental, I agree that any of the following items owned by the Landlord and qualifying for installation, shall remain in the dwelling when I move out. Check all that apply: Cooktop/Range/Built-in Oven (as present), Clothes Washer, Clothes Dryer, Cooktop/Range/Built-in Oven (as present), Clothes Vasher, Clothes Dryer, Clo LED Torchiere Lamps, CO Alarms, Thermostats, Ceiling Fans, Wood-burning Stove, Window-mount Air Conditioner, and/or Evaporative Cooler. b. I further agree to allow all installed measures to be inspected and checked by the Agency and a State third party inspection entity upon request. Signature(s) Date[.]
